Index

Analysis:

Some aspects of facial depth in Class II, Division 1 malocclusion, Kean, Martin R., p.1, January.

A study of Pont's, Howes', Rees', Neff's and Bolton's analyses on Class I adult dentitions, Stifter, John, p. 215, October.

Class II, Division 2 malocclusion, Strang, Robert H. W., p. 210, October.

Anchorage:

Past and present concepts of anchorage preparation, Stoner, Morris M., p. 176, July.

Cephalometrics:

A radiographic study of the central Australian aboriginal, Craven, A. H., p. 12, January.

A cephalometric evaluation of Class II, Division 2, Hedges, Robert B., p. 191, October.

Cleft Palate:

The role of the soft palate in cleft palate speech, Wildman, A. J., p. 79, April.

Growth or Development:

Aspects of growth in the cranium, mandible, and teeth of the rabbit as revealed through the use of alizarin and metallic implants, Erickson, Leslie C. and Ogilvie, Alfred L., p. 47, January.

Physiologic migration of anterior teeth, Schneider, Bernard and Sicher, Harry, p. 166, July.

Musculature:

Forces exerted on the dentition by the perioral and lingual musculature during swallowing, Winders, Robert V., p. 226, October.

Obituary:

Angle, Anna Hopkins, p. 57, January.
Wilkinson, Lynn C., p. 241, October.
Wuerpel, Edmund H., p. 188, July.

Statistics:

Statistics: a review, Garn, Stanley M., p. 149, July.

Statistics — lighthouse or lorelei? Thurow, Raymond C., p. 61, April.

Tooth Size:

Disharmony in tooth size and its relation to the analysis and treatment of malocclusion, Bolton Wayne, p. 113, July.

Estimation of the sizes of unerupted cuspid and bicuspid teeth, Hixon, E. H. and Oldfather, R. E., p. 236, October.

Hereditary factors in tooth dimensions, a study of the anterior teeth of twins, Horowitz, Sidney L. et. al., p. 87, April.

Treatment:

Some observations on extraoral treatment, Newcomb, Morse R., p. 131, July.

A technique for treatment with cervical gear, Parker, William S., p. 198, October.

Clinical observations of cases five years out of treatment, Stackler, Harold M., p. 108, April.

Early treatment, Sturman, Henry A., p. 94, April.

The congenitally absent premolar problem, Valinoti, Joseph R. Jr., p. 36, January.
